Agenda

Friday program will comprise a full day of live surgery demonstrations televised direct to the Hyatt Hotel, Calgary. Registrants will have opportunity to direct questions to the surgeons during the demonstrations. Registrants will become more familiar with refinements in techniques for facial rejuvenation (eye lift) and rhinoplasty. Breast reduction and mastopexy surgeries will also be demonstrated as well as brachioplasty. Participants will be able to more accurately select appropriate candidates for these procedures and incorporate these surgical techniques and refinements in their practice.

Saturday Program will comprise a full day scientific session, highlighted by in depth presentations from our guest surgeons and host faculty.

Eligibility

This meeting is open to Plastic Surgeons, their nurses/assistants and Plastic Surgery Residents.
