

June 25, 2020

Dear CSAPS Supporter,

The CSAPS Executive and Membership are extremely appreciative of the support it receives from companies like yours at the Annual Meeting of the Canadian Society for Aesthetic Plastic Surgery. The CSAPS meeting is always a very interactive meeting. Our sponsors appreciate the relationships that are formed during the daytime interaction with the plastic surgeons in the exhibit area and the evening social events. In the last few years with our change to a more relaxed gala on Saturday nights, it has furthered our relationships with sponsors.

As the President of CSAPS, I have had many meetings with Hotel X and Lucie Champagne, the 2020 meeting organizer over the last three months. It was our expectation that we would be able to have another great interactive meeting providing great value for our attendees and sponsors.

Unfortunately, Hotel X has limitations imposed by health regulators that would significantly affect the quality of our meeting and the interaction that we have all enjoyed over the years. As a result, the CSAPS Executive has decided to cancel the 2020 meeting. This decision was not made lightly as we know how important this meeting is for our sponsors and the value of this meeting for furthering your relationships and advancing product sales.

The Executive will be sending out information about the 2021 meeting in a few months. It will have the same format as the 2020 meeting, and we hope that many of our 2020 speakers will accept an invitation to participate in the 2021 meeting. We will keep the sponsorship levels the same as the 2020 meeting to respect that we have all endured financial challenges in 2020. Dr. Mathew Mosher will be the President of CSAPS 2021.

I look forward to seeing all of you at CSAPS 2021 and celebrating your successes as we all get back to providing great aesthetic outcomes using your products and services.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Scott Barr', is positioned below the word 'Sincerely,'.

Scott Barr, MD, FRCS

President, Canadian Society for Aesthetic Plastic Surgery 2019-2020
